State of Ohio Supplier ID Number FYI

New State of Ohio suppliers must first register online with the Ohio Office of Budget and Management (OBM) using the Supplier Self-Registration module of the Ohio Administrative Knowledge System (OAKS). Go to www.supplier.obm.ohio.gov and click 'Register a New Account'. To complete this process, you need access to a printer as well as a scanner. The registration process will take approximately 15 minutes to complete.

You need your bank account information. You will also be prompted to fill out a W-9 (link provided at the website)

Once you are assigned a Supplier Number, you will need to upload a copy of an email or screenshot of your account showing your name and assigned Supplier Number in the document upload.

Complete the Application

Login to your account on <http://dodd.ohio.gov/Pages/default.aspx> by using the login button towards the top right of the screen.

Click Applications on the top of the page then on the right select PSM-portal from the menu to begin the application

The application is not considered complete until all required documentation is submitted and the application fees have been paid

HELPFUL HINT: When you are gathering your documentation, scan and upload them to your computer as PDF files, and name the file what it is (ex. Driver's License, Social Security Card, etc.). It will make uploading the documents easier. Do not scan them as one file, scan each item separately.

Application Fees

The application fee is non-refundable. It must be paid with a credit card or electronic check.

The fee for an independent provider is **\$125**.

What happens after the Application is submitted?

Once DODD receives your completed application, application fee, and the background check, your application will be reviewed. Within 30 days, one of three things will happen, your application will be approved, denied, or more information may be requested. If more information is requested, DODD will contact you via email to let you know and give you a timeline to submit what is being asked for. If you fail to submit the needed information within the time line, your application will expire, and you will have to start over again.

Once you are a certified provider, you will receive your certification letter via email.

Send that to your county board and let them know you are interested in providing services.
