PRIVACY PROMISE

The DD Board understands that your personal information needs to be kept private. Protecting your personal information is important. We follow strict federal and state laws that require us to keep your personal information confidential.

HOW WE USE YOUR PERSONAL INFORMATION

When you receive services from the DD Board, we may use your personal information for such activities as providing you with services, billing for services, and conducting our normal board business known as health care operations.

If you have chosen a personal representative and have agreed to let your personal representative obtain your personal information, we will provide the information to your personal representative. If you have a guardian we will provide the information to your guardian.

Examples of how we use your information include:

Treatment - We keep records of the care and services provided to you within the DD Board. For example, your service and support administrator keeps notes on all contacts made in coordinating and arranging for services. If you see a nurse working for the DD Board, the nurse will keep records of any care you receive. DD Board staff may share your personal information while helping to develop your service plan.

If DD Board staff want to share your personal information with anyone who is not employed by the DD Board, you must give them written permission first.

Some personal records, including confidential communications with a mental health professional and substance abuse records, may have additional restrictions for use and disclosure under state and federal law.

Payment – We keep records that include payment information and documentation of the services provided to you. Your information may be used to obtain payment for your services from Medicaid, insurance or other sources. For example, we may disclose personal information about the services provided to you to confirm your eligibility for Medicaid and to obtain payment from Medicaid. The DD Board may use your personal information to determine the amount and type of Medicaid services you need and send this information to the proper state department

Health Care Operations – We use personal information to improve the quality of care, train staff, manage costs, conduct required business duties, and make plans to better serve you and other individuals enrolled in the DD Board. For example, we may use your personal information to evaluate the quality of treatment and services provided by our service staff.
